Transporter T26 SWB Van 2.0Tdi 84ps

Meet the more powerful, more efficient new Volkswagen Transporter. It's the next step in a long line of reliable, hardworking vans that get the job done, whatever trade you're in. A wealth of new features not only makes it smart choice for your business today, it'll also still be worth its weight a few years down the line. So take a moment to get to know the new Transporter a little better.

Lower CO² emissions and more fuel-efficient, taking you up to 788 miles on one tank.

Improved torque gives you a great level of performance, even when carrying heavy loads.

Long or short wheelbase options with load space from 5.8m³ to 9.3m³.

A wide range of standard safety and optional features to choose from, including industry-leading Lane Change Assist.

Impressively low running costs plus the great residual value Volkswagen Commercial Vehicles are known for
